she	her	lei / la, le
it	it	esso / lo, la
we	us	noi / ci

The rule

Il **subject pronoun** sta prima del verbo e compie l'azione: **She** calls me.

L'**object pronoun** sta dopo il verbo o dopo una preposizione: She calls **me**. This is for **him**.

In inglese il soggetto non si può mai omettere: si dice *It is raining*, non *Is raining*.

Esercizio 1 Underline the subject pronoun and circle the object pronoun.

1. She gave him a present.
2. We saw them at the station.
3. They invited us to the party.
